R O O M S & W I N E

Welcome to The Terrace Rooms & Wine. Our cellar stretches to over 750 bins available to drink in or take out, all listed below. The best way to buy is in our wine room where every bottle is displayed by region with prices attached. Our by-the-glass list is offered at your table & changes daily depending on our mood & the weather.

### Personal Favourites

Our entire New Zealand range is a labour of love that stems from Ashley's year living in Auckland. We have endeavoured to include at least one listing for every region she visited & the styles for which it is best known, as well as covering as many principal global wine styles & grape varieties as is reasonably possible.

From Chablis, where Tom has been known to run up & down some hills, we have three consecutive vintages of Vincent Dauvissat's village wine as well listings from many of the most-touted newer producers. We also feel our Vocoret & Fils listings - a producer we love and import from directly - are exceedingly worthy of any Chablis-lover's time; their St Valentine cuvee being unique to us in the UK. Following a visit to Haro in 2023, we have built up a fine selection of Lopez de Heredia's wines including the rare Tondonia Rosado & Blanca Reservas, & three different Gran Reservas. Being by the sea our rose selection is of huge importance; our personal favourites being Clos Cibonne's magical tibourens, Jose Luis Ripa's Tondonia-esque rosado, & Ktima Ligas' genre-defining Le Rose. Other producers we love and are proud to list... Hundred Hills, Olga Raffault, Charles Joguet, Gilbert Picq, Sylvain Pataille, Domaine Bart, Au Bon Climat, Pieropan, Meerlust, Beaucastle, Musar, Jean Foillard, Geoff Merrill, Raul Perez, Sybille Kuntz, & Ken Forrester.
